MOODY'S CONFIRM KOMMUNEKREDIT'S Aaa RATING

Moody's Investor Service has published their Update to Credit Opinion confirming KommuneKredit's Aaa rating and stable outlook.

Moody's highlights KommuneKredit's:

- close link to government and the joint and several liability provided by all Danish regional and local governments
- the excellent asset quality
- direct oversight by sovereign, with prudent counterparty risk policies
- a stable financial performance as a result of its public policy mandate
- strong funding and liquidity and solid capitalisation relative to its peers

The full report can be found on KommuneKredit's website.
